## iPad Winner is Announced!

*Local businessman James Burgess was the winner of the new iPad at the October 20 drawing.*

Every customer who completed the customer satisfaction survey, with contact information, was automatically entered into the drawing. James moved into the area in 2003 and is the current owner of C & W U-Cuts at 18236 S. Bogynski Road.

James claimed that he never wins anything, but was thrilled with the iPad. He said that he will have to lean heavily on the younger members of his family to figure out what to do with it since he didn't know what it was until he picked it up at the Clear Creek office. When asked why he took the time to take the online survey, he said that he wanted Clear Creek to know how much he appreciated how we were "oriented towards customers" and "less expensive than the other providers."
